Please join us for these discussions on the recently released Draft National Alcohol Action Plan.

The purpose of the Forum is to provide an opportunity for regional stakeholders to consider the proposed plan and how it responds to regional issues, and meets the needs and expectations of our communities.

Feedback from the day will be collated and provided to the Ministry of Health. It is also hoped that participants will be informed and motivated to write their own submission on the proposed plan – due by 7 November 2008.

The programme will include:

- Alcohol policy update and context for the proposed plan
- Comment and feedback from interest groups on the draft plan
- Workshop sessions on the plan considering its strengths, gaps and opportunities
- Time will be available after the Forum for submission writing for those interested

***Morning tea and lunch will be provided
To register complete the attached registration form
