FASD-informed Practice: A professional development workshop

Due to strong demand, Alcohol Healthwatch is pleased to support a second Fetal Alcohol Spectrum Disorder professional development workshop in Mangere with Dr Valerie McGinn Neuropsychologist, and the Clinical Director of the FASD Centre Aotearoa.

WHEN: 9.30am to 4.00pm
Thursday 1st June 2017

WHERE: Jet Park Conference
Centre, 63 Westney Road,
Mangere (Bldg 4 Kiwi Ballroom)

REGISTRATION:

Please confirm your registration by sending the name, organisation and contact details of the person(s) attending before Thursday 25th May 2017 to: christine@ahw.org.nz or ph Christine Rogan on **09 5207036**.

We are pleased to be able to bring this workshop to you free of charge for those whose registration has been confirmed by email. A light lunch will be included. Please indicate any dietary requirements.

'This workshop brings to the fore intervention practice shown to maximise success for children and adolescents affected by FASD and for those entrusted with their care.

The information shared by our specialist guest speakers will inspire and inform anyone working with or raising Tamariki/Mokopuna where FASD may be a factor.'
